SKILLS

- Project Management
- Time Management
- Critical Thinking
- Adaptability
- Problem Solving

LANGUAGES

- English - Full Professional Proficiency
- Afrikaans - Limited Working Proficiency

PROFILE

As a Computer Science graduate, I bring a unique blend of self-motivation, an objective-driven mindset, and a deep-seated passion for achieving excellence. My ability to thrive both in independent and collaborative environments stems from my respect for diverse perspectives and a commitment to incorporating valuable insights from others. I am steadfast in my responsibility to deliver high-quality results, consistently pushing the boundaries of my capabilities to ensure every task I undertake is executed to the highest standard. My academic journey in the realm of computer science has equipped me with a robust technical skill set and an analytical mindset, enabling me to overcome complex problems.

TECHNICAL PROFICIENCIES

- **Frontend Development:** Angular, React, Next.js, JavaScript, Ionic
- **Backend Development:** Java, PHP, C/C++, Node.js, Spring Boot with Kotlin
- **Database Management:** SQL, MySQL, Database Design, PostgreSQL, MongoDB, ObjectDB, BaseX, Neo4j

WORK EXPERIENCE

Absa Group Limited

SEPTEMBER 2019

Job Shadowing

- **Job Shadowing:** Had the opportunity to job shadow the Sales Manager at Absa, gaining valuable insights into the workings of a professional sales environment.
- **Coaching Sessions:** Attended multiple coaching sessions, enhancing my understanding of sales strategies and customer relationship management.
- **Live Audits:** Participated in 6 live audits, gaining firsthand experience in quality control and compliance procedures.
- **Agent Assessment:** Assessed agents according to the TCF Outcomes, ensuring professionalism and adherence to company standards.

HeronBridge College

AUGUST 2019 - SEPTEMBER 2019

Mission Trip Team Member

- **School Revamp:** Participated in a project aimed at revamping a run-down school in Kwazulu-Natal, demonstrating commitment to community development.
- **Painting:** Took on the responsibility of painting the school, enhancing its aesthetic appeal and creating a more conducive learning environment.
- **Installation of Swing Set:** Installed a new swing set, contributing to the creation of a fun and engaging outdoor space for the students.
- **Safe Proofing Jungle Gym:** Ensured student safety by safe proofing a jungle gym, demonstrating attention to detail and concern for the well-being of others.
- **Building a Shade Shelter:** Contributed to the construction of a shade shelter, providing a comfortable outdoor space for students and staff.
- **Educating Young Children:** Engaged in the education of young children, showcasing my ability to communicate effectively and inspire learning.

Hillsong - Colour Conference

APRIL 2019

Welcoming Committee Team Member

- **Welcoming Attendees:** Warmly greeted the women who attended the conference, ensuring they felt comfortable and valued.
- **Gift Giving:** Managed the distribution of gifts to attendees, adding a personal touch to the conference experience.
- **Setting Up the Convention Centre:** Responsible for the setup of the convention centre, ensuring a smooth and efficient event environment.
- **Facilitating an Adoption Program:** Played a key role in facilitating an adoption program, demonstrating strong organizational and communication skills.
- **Ensuring Attendee Safety:** Prioritized attendee safety by escorting the women to their cars after each session.
